2 Day course - flexible training arrangements

COURSE
5

The two-day refresher course is for Delegates who have previously passed the full five-day (SMSTS) course and can provide proof of attendance within the last 5 years and 6 months. It aims to bring health and safety knowledge up to date, as well as giving a thorough overview of the legislative changes and their impact in the workplace.

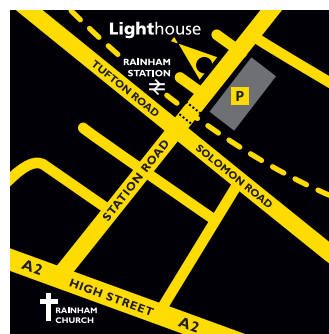

The course includes a wide range of topics many building on the previous five-day course programme as well as introducing new subjects.

COURSE COVERS:

- Improve awareness of recent developments in construction
- Legislation and health, safety, welfare and environmental issues; and identify measures that will assist the practical implementation of responsibilities established by new legislation, and new working practices
- Able to implement all updated health, safety, welfare and environmental legislation which affects them in their role as a manager
- Be aware of and able to implement new guidance and industry of best practice
- Be more aware of their duties and responsibilities with regards to health, safety, welfare and the environment
