

NEBOSH

General Certificate in Occupational Health and Safety

£1400 +VAT

15 Day course - flexible training arrangements

 COURSE
1

The **NEBOSH** National General Certificate in Occupational Health and Safety is a globally recognised health and safety qualification that is held by more than 100,000 people in the UK and world-wide.

Any one wishing to become Managers or Supervisors you will need a broad understanding of health and safety issues. The certificate helps them manage risks effectively. Many people take the NEBOSH Certificate as a first step on a career in health and safety. It provides a valuable overview, and is a sound basis for further professional study
